OFFICE NOTE

Sub: UAN Activation and seeding of Bank Account with AADHAR for availing benefits under ELI Scheme - Reg.

As you are aware the launch of ELI Scheme has been delayed due to non-completion of UAN activation task by Regional Offices. The Progress report dated: 26.12.2024 indicates that this office has activated 9556 UANs (including DOE) out of 21052 UANs which translates to be 45.39 %. The said activation is well below the all-India average. Hence, it is directed to the complete the assigned task by 3rd January, 2025 and submit one of the following to the undersigned in respect of each establishment:

1. zero pendency report, or
2. certificate that all possible cases have either been activated or DOE been updated (annexure should include list of pending cases with specific reason of non-activation), or
3. letter from employer of their willful non-compliance of ELI scheme

The Head of the team (EO/AO) will be responsible for submission of one of the above three reports failing which administrative action will be taken.
